# National Scholarship Month

Sponsored by National Scholarship Providers Association (NSPA), National Scholarship Month® (NSM) is about building an awareness of scholarships. Whether you are a scholarship provider, an institution of higher education, a student, a parent, or a business, National Scholarship Month is a way for all of us to celebrate our work and our common goal of helping all students get to and through college.

# “If I Were Mayor”

The League of Kansas Municipalities invites all Kansas 7th graders to join our essay contest, “If I Were Mayor,” to tell others what they would do as mayor to make their cities the best place to live.

Promoting good city government is important to the League, and this essay contest provides students the opportunity to learn how local government works and the services it delivers.

Six geographic regional winners around the state will be selected. Winners will receive a \$125 cash prize and plaque. One overall winner will also be selected to represent the entire state and will receive a \$250 cash prize and plaque. The winners, along with their teachers, will be recognized at a special ceremony in Topeka on January 25, 2017. The winners’ essays will be published in a future edition of the *Kansas Government Journal*.

For more information, visit [lkm.org/MayorEssay](http://lkm.org/MayorEssay).

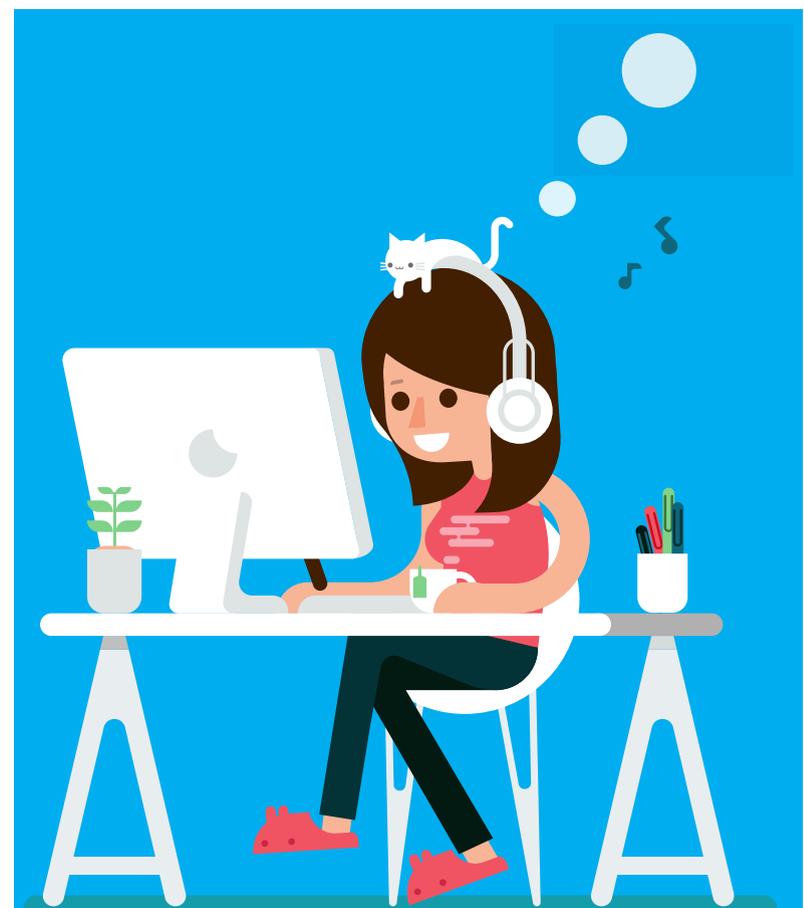

## Adopt a Hydrant: Update

Not only is this gumball fire hydrant one of the most colorful hydrants in Bel Aire, but it has a great story to go along with it. Notice the 17 cents per gumball? That represents the 17 great grandchildren that contributed in painting the gumballs. They came from as far away as Denver, Colorado to Seattle, Washington and even as far as Germany! Alongside their painting talents, they put their initials on different gumballs. *Now isn't that a wonderful memory to look at every day!*

# EMPLOYEE SPOTLIGHT

## Amy Heilman

### What is your job title and how long have you been with the City of Bel Aire?

I am excited to be working for the City of Bel Aire as their new Utility Clerk. I've been here three weeks, which isn't very long, but I hope to be here for many more weeks and then years to come.

### What is your favorite part about working here?

I work with fantastic people that have been super welcoming and helpful training me in my new role. I feel like I'm settling in nicely and I'm happy to be here.

### What do you like to do for fun?

I enjoy wandering around bookstores, relaxing at home watching Netflix and traveling to new places. In the last two years, my husband and I have been able to travel to the Bahamas, Orlando, Las Vegas, San Francisco and go on a cruise to Alaska, together. Our goal is to visit all 50 states in our first 10 years of marriage. Time will tell if it happens, 40 more to go over the next 8 years.

### What is one thing you couldn't live without?

My cats and my husband, maybe not in that order. :-)

### If you could go anywhere in the world, where would you find yourself?

This is a tough question. I love traveling to new places but Disney World is my happy place. I've been three times in the last three years and I'm already looking forward to when I can go again!
