EMPLOYEE SPOTLIGHT

Dave Leiker

What is your job title and how long have you been with the City of Bel Aire?

Assistant Public Works Director and have worked here for 18 Years.

What is your favorite part about working here?

Knowing I directly contribute to enhancing the quality of life in Bel Aire is very satisfying. When I see kids playing on new playground equipment we just installed, for example, it makes me smile. Also, the wide range of programs and operations that we are responsible for in Public Works is exciting and challenging and it is a pleasure to work closely with highly skilled staff.

What do you like to do for fun?

I really enjoy working on computers and problem solving even though some of the problems were self-created. The last couple of years I have indulged in the art of smoking meats, preferably brisket. I also like to build remote controlled airplanes and then sell them and my wife Susan and I like to travel and enjoy the outdoors. Raising Boxer dogs is challenging and fun and allows us to go furniture shopping a lot.

What is one thing you couldn't live without?

This question is easy, my lovely wife Susan, we have been married for 25 wonderful years and I love her immensely.

If you could go anywhere in the world, where would you find yourself?

As an Air Force brat I have lived in seven states and Japan and attended 13 different schools. One place I lived and still like to visit is Destin, Florida. The squeaky white sands and blue water is so relaxing and I could just spend all day on the pier fishing.
