

City of Bel Aire Utility Advisory Committee Minutes
Monday May 20, 2019

1. This month the Utility Advisory Committee conducted their annual field trip for its monthly meeting. The Committee met at Bel Aire City Hall at 12:00 noon. UAC members Bill Moss, Dan Broyles, Jeff Watkins, Art Tenbrink and Diane Wynn, along with Public Works Director and City Engineer Anne Stephens and Bel Aire Council members Betty Martine and Jim Benage car pooled to 313 West Blanchrd, South Hutchinson Kansas to tour Stutzman Refuse Disposal facility.
2. Arrived at Stutzman Refuse Disposal facility in South Hutchinson at appromate 1:00 pm, met with Herschel West, Waste Connections Municipality Market Manager who introduced the group to Dustin Kalp, Waste Connections District Manager over the recycle facility who conducted a tour of the facility. The tour lasted about one hour. Due to weather conditions we where unable to view the glass recycle area as it was outside.
3. Group returned back to Bel Aire City Hall at approximate 3:00 PM. No binding action was taken on this field trip.
4. Next UAC meeting scheduled for Monday, June 18, 2019 @ 12:00 pm at City Hall Conference Room.

Dan Broyles
UAC Secretary
