

SIGN UP WATER USAGE NOTIFICATIONS AND ALERTS

Every Bel Aire Utility Customer can track real-time and historical water usage and set custom alerts in the utility billing portal. Receive notifications for potential leaks, when your usage reaches a specific amount, or if water is running at your property while you are on vacation. To access this feature, log in to the utility portal at belaireks.municipalonlinepayments.com or scan the QR code. Once logged in, click on "Consumption" in the menu, then select "Manage Alerts". For visual instructions, visit belaireks.gov/UtilityAlerts.

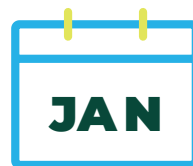

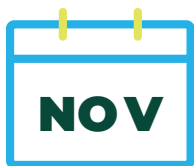

If you have not set up your account in the portal, easy step-by-step setup instructions can be found at bit.ly/COBA-SetupGuide. For any questions, contact the Utility Billing Department at ubclerk@belaireks.gov or call (316) 744-2451 ext. 132.

WASTE CONNECTIONS HOLIDAY SCHEDULE

As the holiday season continues, please note that Waste Connections will observe Christmas Day and New Year's Day. If your regularly scheduled pickup falls on either of these holidays, service will be delayed until the following day. For an easy way to stay on top of your pickup schedule, visit wasteconnections.com to download their convenient app, which provides reminders and essential notifications.

WINTER AVERAGE CONSUMPTION

Did you know sewer rates in Bel Aire are based on a Winter Average Consumption (WAC)? Starting this year, WAC will track water usage from November through February, and the three months with the lowest usage during this period will be averaged to determine your new WAC.

WAC IS AN AVERAGE OF YOUR THREE LOWEST WATER USAGE MONTHS BETWEEN NOVEMBER AND FEBRUARY.

For instance, if December usage is higher due to holiday guests, your WAC will be averaged from November, January, and February. Your new WAC will appear on the April bill and apply from April through the following March.

If you have a water leak during these months, report it to the Utility Department promptly, as it may affect your WAC. Residents have until June 1 to dispute their new WAC.

CHRISTMAS TREE RECYCLING

The City of Bel Aire will again offer a free recycling site for real Christmas trees from December 29 through January 30. Residents are invited to drop off undecorated trees at the designated collection area located in the parking lot of the Central Park Community Pool (7350 East Central Park Avenue). The site will be open at all times of the day to provide a simple, convenient, and responsible way to recycle your tree after the holidays.

WICHITA HEIGHTS JUNIOR BASEBALL & SOFTBALL LEAGUE

Registration Deadline: February 20th

If you are affiliated with a team, please contact your coach for registration instructions.

Registrants not affiliated with a team can join the online waiting list. Waiting list players may be assigned to a Bel Aire team if space is available or referred to other districts with openings. Waiting list registrants will be contacted after the deadline.

Grade Divisions:

3rd & 4th Grade | 5th & 6th Grade | 7th & 8th Grade
Baseball | 7th, 8th & 9th Grade Softball
