

**2026 Water Conservation
Rebate Program
HIGH EFFICIENCY DISHWASHER
REBATE**

High Efficiency (HE) Dishwasher Rebate:

\$100.00 for a new high efficiency dishwasher that is installed and replaces an inefficient model (New Construction isn't eligible).

Rebate is available for all customers having active accounts with the City of Bel Aire for delivery of potable water.

Specifications:

The standard HE Dishwasher must be Energy Star® labeled or meet the CEE Tier 1© water use standard of 4.25 gallons per cycle or less. A compact dishwasher must use 3.5 gallons per cycle or less. For a list of qualifying devices visit the web page:

<https://www.energystar.gov/productfinder/product/certified-residential-dishwashers/results>

Instructions:

- The HE Dishwasher must be purchased and installed between Jan. 1, 2025, and Dec. 31, 2025. Rebate is available on a first come, first served basis subject to funds availability.
- The online application link is at the bottom of this page. You have 90 days after date of purchase in which to fill out the application and required information for the rebate
- Original copies of required information must be provided to verify purchase.
 - Failure to provide the required information will result in the rebate request being denied.
- Required information must accompany the application and this includes:
 - Sale invoice to be uploaded with the online application.
- There is a limit of 5 qualifying devices per active Water Utilities account, mixed or matched.
- An old dishwasher must be properly disposed of in a manner that will prevent reuse of the appliance. Please recycle it if possible.
- Rebate amount will not exceed the actual purchase price of HE dishwasher and excludes taxes and costs of installation.
- Rebates will be credited to applicant's Water Utility account.

Please submit your online application: belaireks.gov/WaterRebateForm.
