

**2026 Water Conservation  
Rebate Program  
HOSE FAUCET IRRIGATION  
CONTROLLERS REBATE**

**Smart Irrigation Controller Rebate:**

Up to \$100.00 for a new and installed hose/faucet irrigation controller used for landscape watering.

Rebate is available for all customers having active accounts with the City of Bel Aire for delivery of potable water. Systems using well water aren't eligible.

---

**Specifications:**

The hose/faucet irrigation controller must be WaterSense certified and labeled. The irrigation system on which it is installed must be connected to city water. For a complete list of the approved controllers visit: <https://lookforwatersense.epa.gov/Product-Search-Results-IrrigationController.html>

---

**Instructions:**

- Hose/faucet irrigation controllers must be purchased and installed between Jan. 1, 2025, and Dec. 31, 2025. Rebate is available on a first come, first served basis subject to funds availability.
  - The online application link is at the bottom of this page. You have 90 days after date of purchase in which to fill out the application and required information for the rebate.
  - Original copies of required information must be provided to verify purchase.
    - *Failure to provide the required information will result in the rebate request being denied.*
  - Required information ***must*** accompany the application and this includes:
    - Sale invoice(s) to be uploaded with online application.
  - There is a limit of 5 qualifying devices per active Water Utilities account, mixed or matched.
  - Dispose of old irrigation controller in a manner that prevents its reuse. Recycle it if possible.
  - Rebate amount will not exceed the actual purchase price of a smart irrigation controller and excludes taxes and costs of installation.
  - Rebates will be credited to applicant's water utility account.
- 

Please submit your online application: [belaireks.gov/WaterRebateForm](https://belaireks.gov/WaterRebateForm).
