

**2026 Water Conservation
Rebate Program
TOILET REPAIR KIT
REBATE**

Toilet Repair Kit Rebate:

Up to \$35.00 for newly purchased and installed toilet repair kit Rebate is available for all customers having active accounts with the City of Bel Aire for delivery of potable water.

Specifications:

The toilet repair kit must replace the fill valve, flush valve, and flap mechanism on standard toilets. Toilet repair kits, such as Fluidmaster, Korcky, Danco, Mansfield, etc. are eligible for the rebate. Trade names used here are as examples and are **NOT** recommendations. Early close toilet flappers aren't eligible.

Instructions:

- The toilet repair kit must be purchased and installed between Jan. 1, 2025, and Dec. 31, 2025. Rebate is available on a first come first served basis, subject to funds availability.
 - The online application link is at the bottom of this page. You have 90 days after date of purchase in which to fill out the application and required information for the rebate.
 - Original copies of required information must be provided to verify purchase.
 - *Failure to provide the required information will result in the rebate request being denied.*
 - Required information ***must*** accompany the application and this includes:
 - Sale invoice(s) to be uploaded with online application.
 - There is a limit of 5 qualifying devices per active Water Utilities account, mixed or matched.
 - The old toilet flushing mechanism must be properly disposed of in a manner that will prevent its reuse. Please recycle it if possible.
 - Rebate amount will not exceed the actual purchase price of dual flush conversion kit and excludes taxes and costs of installation.
 - Rebates will be credited to applicant's water utility account.
-

Please submit your online application: belaireks.gov/WaterRebateForm.
