

**2026 Water Conservation
Rebate Program
HIGH EFFICIENCY TOILET (HET)
REBATE**

HET Rebate:

\$100.00 for new and installed HET 1.6 gallons per flush (gpf) or less that replaces an existing high-volume toilet (3+ gpf).

Rebate is available for all customers having active accounts with the City of Bel Aire for delivery of potable water.

Specifications:

The High Efficiency Toilet (HET) must be WaterSense certified and on the EPA WaterSense list. For the complete list of qualifying devices visit the web page: <https://lookforwatersense.epa.gov/Product-Search-Results-Toilets.html>

Instructions:

- HET must be purchased between Jan. 1, 2025, and Dec. 31, 2025. The rebate is available on a first come first served basis, subject to the availability of funds.
 - The online application link is at the bottom of this page. You have 90 days after date of purchase in which to fill out the application and required information for the rebate.
 - Original copies of required information must be provided to verify purchase.
 - *Failure to provide the required information will result in the rebate request being denied.*
 - Required information **must** accompany the application and this includes:
 - Sale invoice(s) to be uploaded with online application.
 - There is a limit of 5 qualifying devices per active Water Utilities account, mixed or matched.
 - An old toilet must be properly disposed of in a manner that will prevent its reuse. Please recycle it if possible.
 - Rebate amount will not exceed the actual purchase price of HE toilet and excludes taxes and costs of installation.
 - Rebates will be credited to applicant's water utility account.
-

Please submit your online application: belaireks.gov/WaterRebateForm.
